

CGSENCPC

Datasheet

Wall or Semi Recessed
 Solenoid Valve Enclosures
 Powder Coated Light Gray

Product Overview

Designed for general purpose indoor commercial use to enclose mechanical valves such as solenoid valves & ball valves. The hinged cover with latch provides easy access during installation and maintenance.

Standards

IEC 60529, IP20

Construction

- ✓ Formed 16 gauge steel.
- ✓ Smooth, continuously welded seams ground smooth.
- ✓ Formed lip on enclosure to exclude flowing liquids and contaminants.
- ✓ Door latches feature the added safety of quarter turn slot requiring use of tool for opening.
- ✓ Doors may be easily removed for modifications and are interchangeable.
- ✓ Includes hardware kit with panel mounting nuts and sealing washers for wall mounting holes.
- ✓ Bonding stud provided on door and grounding stud installed in enclosure.

Finish

- ✓ Cover and enclosure are phosphatized and finished with a recoatable powder inside and out. RAL7035 textured light gray (LG).
